6 Bedroom, 2.50 Bathroom, 3,440 sqft
Residential on 2.95 Acres

BALDWIN, Baldwin, MD

Welcome to 5323 Sweet Air Road, Baldwin, MD — a secluded modern retreat where design, nature, and light come together beautifully. Nestled nearly 300 feet off the road on almost 3 acres of wooded privacy, this fully renovated 6-bedroom, 2.5-bath home feels like an architect’s mid-century modern hideaway — elegant, calm, and deeply connected to its surroundings. The long, tree-lined driveway opens to a home framed by mature trees, filtered sunlight, and natural stone accents, setting the tone for what feels like a serene escape.

Inside, the open-concept design is drenched in natural light from expansive windows and skylights, creating a bright, airy atmosphere that instantly soothes. Warm wide-plank oak floors, soft white walls, and a consistent natural palette balance warmth and sophistication, while thoughtful architectural lines and organic textures create visual harmony throughout. The kitchen is both refined and welcoming, featuring sleek quartz countertops, a large island for gathering, and walnut cabinetry that ties the home’s contemporary edge to its natural roots.

Every room feels intentional and spacious, with intuitive flow from the living and dining areas to the private bedroom wing. Each bathroom has been reimaged with a spa-like sensibility — from striking black geometric tiles to rich textures and matte black fixtures

â€” modern yet timeless.

Beyond the walls, this property offers what few homes can: privacy, peace, and a connection to nature that feels miles away from everything, yet just minutes to all conveniences. Whether youâ€™re sipping coffee under the filtered morning light, entertaining beneath the canopy of mature trees, or simply relaxing in the open, light-filled living space â€” this home invites calm and inspiration in equal measure.
